

# **ATTENTION: HUNTERS AND FIREARMS OWNERS INFORMATION RALLY**

- DO YOU HATE THE LIBERAL GUN LAWS (FIREARMS ACT)?
- DO YOU FEEL THE GUN REGISTRY SHOULD BE SCRAPPED?

Canada's Firearms Act is **unconstitutional!** This meeting will outline how this law **violates your rights** and was fraudulently rammed through parliament.

Bruce and Donna Montague are being prosecuted as a direct result of challenging the Firearms Act. Bruce has been a vocal opponent of Bill C-68 for years and is fighting this law **on behalf of all gun owners**. Rather than comply with an unjust law, he has chosen to challenge it in court at enormous personal cost.

The Firearms Act is designed to gradually eliminate private ownership of guns. We either, while it is still vulnerable, or surrender in defeat.

The Montagues are backed by legal experts who are prepared to make the **FIRST SERIOUS CHARTER CHALLENGE** of the Firearms Act to the Supreme Court of Canada.

Bruce will be here to share his story. Come out and learn how we will regain our firearms rights with this Charter challenge!
